NOVA

4K ULTRA HD ANDROID TV BOX

with Bluetooth Remote

Overview

Nova connects you to a world of information and gives you an easier way to enjoy all the entertainment you love, whether streaming from your favourite apps, watching the latest blockbuster movies, listening to music, or playing games. Enjoy premium content in crystal clear *4K Ultra HD resolution from streaming services such as Netflix, YouTube, DSTV, Showmax, Disney+ and more.

Powered by the latest Android™ TV 11, sporting a powerful 64-bit quad-core processor and 4th generation Amlogic S905Y4 SoC, Nova is one of the first devices on the market supporting the new AV1 codec which uses up to 30% less bandwidth compared to other streaming devices. It supports Google Assistant with voice search Bluetooth remote and Chromecast built-in, allowing you to stream photos, videos, music and other content from your phone, tablet or laptop to your TV. Nova further boasts 2GB RAM, 16GB flash storage, dual-band AC Wi-Fi, Bluetooth 5.0, Ethernet and 2 USB ports.
